David Cantero

CLUB LIFE

For years, David Cantero has been doing illustrations for invitations and party posters for discotheques and bars all around the world. His motifs are straight off the streets—action-packed and full of vibrant color. "Club Life" is a collection of his finest work.

Amusing pin-ups are Cantero's specialty. His drawings jump out at you with their vivid colors and erotic moments. Cantero's art will impress you with its zestful mix of youthful charm and frolicking gay fantasies, set before a glamorous palm tree-laden, beach-party backdrop, topped off with a style which can only be referred to as candy-colored. Immensely palatable, sugarcoated, sexy fun!

David Cantero was born in Spain in 1972 and finished his degree at the Royal Academy of Beaux Arts in Liège in 1996. He currently does work for such companies as *Renault* and *Zara* as well as for magazines such as *Instinct Mag* and *Männer*.
