It must have been pretty disturbing for Mrs. Fillion—mother of the Canadian comic artist **Patrick Fillion**—when she first discovered what kind of drawings her son creates. Most likely she thought something like “What the heck is wrong with the boy?” ... Well, looking at it with an open mind one can't deny that this guy has an amazing talent. But fabulous super heroes who save the universe with their giant cocks are most likely not mummy's cup of tea. Uhm ... frankly, we don't give a damn, since Patrick's new book **ilLUstrations** is once more a delightful piece of incredibly sexy gay comic art. His heroes—the breathtakingly hung red haired Justice, the sex greedy cat man Camili Cat, fiery Flamer and many others—are doing it the horny way and they are doing it wild and nasty. Sex is the weapon with which these amazing hunks are fighting for a randy and better world.

Muscle men and catchy colors, stunning action, even more stunning dicks and of course excellent drawings: Patrick Fillion puts his outstanding talent and his adventurous sexual fantasy in a cocktail shaker, gives it a good shake and serves us a masterpiece which is as refreshing as a Mojito and as hot as a Bloody Mary. So give it a go, close the door behind you and enjoy a trip through this horny and hunky cosmos. Forget about comics—get ready for **ilLUstrations**.

Born in Quebec in 1973, **Patrick Fillion** discovered his love for drawing comics in the tender age of five. Today he draws for various gay magazines in the USA. So far Bruno Gmünder published his books *HEROES*, *HOT CHOCOLATE*, *BLISS* and *MIGHTY MALES*.
