BLACK WADE **The Wild Side of Love**

With **BLACK WADE** the illustrator duo Franze & Andärle presents a truly fabulous story, which will totally thrill every gay cartoon fan. Everything's just perfect here! Not only can the high quality of the drawings easily convince, but also the story: From sex and heartache to jealousy, intrigues and wild fights—**BLACK WADE** is no less than a blockbuster.

The rough and merciless pirate Black Wade and his band are the scare of the seven seas. And just like his greed for gold is insatiable, his sexual craving knows no boundaries as well: When they board a British ship, Wade takes Lieutenant Jack Wilkins as a prisoner to satisfy his lust. At first Wilkins struggles with all his might, but soon he has to acknowledge that he actually has pleasure in the eager sexual encounters with the handsome pirate. In the meantime his fiancée Annabeth is waiting wistfully for the return of Jack, not knowing if he's still alive. And on the pirate ship emotions are running high as well: Buccaneer Marak keeps a jealous watch over the prisoner Jack. He would love to polish Wade's gun barrel himself. Due to the rising nervousness Wade realizes that he cannot allow himself the tender feelings he begins to have for Jack. To prove how merciless he is, he maroons Jack on a raft and relinquishes him to the forces of the wide ocean. But that's nowhere near the end of the story...

BLACK WADE is so brilliantly illustrated and ingeniously told that you get the impression of sinking into a Hollywood movie. Without any efforts **Franze & Andärle** lift the genre of gay comics to a higher level. One can only hope that there is going to be a sequel to this marvellous story. We want more of this stuff!
