Making it big in the city

In volume one of Mioki's *Side by Side* the comic artist took us on a journey into the life of Evan and Rick. Best friends since they were kids, they were seen stumbling right into a hot love affair which ended happily with big love. Meanwhile, the two cuties live together in the city.

STILL SIDE BY SIDE offers hot sex again at every turn, as well as a good dose of sugar for the romantically inclined. Love can be so beautiful.

»Funny, sexy, smart.«

About the artist:

Mioki lives in New Jersey and was born in 1949 the son of Czech and German immigrants in the US. Although he's been drawing comics since he was a small child he has **never** had any professional training as an artist, which you wouldn't know from seeing his work! The protagonists from **STILL SIDE BY SIDE**, Rick and Evan, were introduced in **STRIPPED – THE ILLUSTRATED MALE** anthology. This is their story.
